Experience a Taste of Heart Camp!

Do you know a child with CHD who may want to go to Heart Camp but is not quite ready to go for the whole week? The Nick and Kelly Children's Heart Camp invites you to visit us in the cool pines of Prescott for:

Future Camper Day

Wednesday, July 26th, from 10AM to 2PM

We would love to have you to sample the fun of Heart Camp! We will take you on a tour of camp and show you what a day looks like in our neck of the woods. The "future campers" can participate in a camp activity and you can all join us for lunch!

We believe children living with congenital heart disease should go to camp too – just like their friends! The Nick & Kelly Children's Heart Fund pays tuition and travel expenses for Arizona children to attend the Nick & Kelly Children's Heart Camp located in Prescott, Arizona. As one of the few camps with medically trained staff on hand to care for these special needs children ages 7-17, Nick & Kelly Children's Heart Camp provides families with peace of mind while offering kids the full camp experience – from sleeping in a cabin, a challenge course, water sports and recreation, to arts and crafts. It also provides a setting that is supportive and inspires self-esteem building and socialization for children who suffer from congenital heart disease.

RSVP by Monday, July 15th to:
